Children's Center *Where Learning is Child's Play*

There are times when hazardous weather and emergency situations require the Center to delay opening, close entirely, or close early. Decisions are made with regard to the safety of children, staff and parents by the Director and are based on the best available information.

1. The Center will close automatically when the Montgomery County government closes, or at the Director's discretion.
2. At the Director's discretion, the Center opening will be delayed until 9:30 am to allow for improved travel conditions for parents and staff.
3. The Center will open on time.

Additionally, please note: If hazardous weather or an emergency situation develops during the course of the day after the Center has opened, the Center reserves the option to close early.

Notice will be posted on our web site www.sspcchildrescenter.com and Channels 7 and 8 and their respective websites. Email notification may also be sent on occasion.

Please note: Late pick-up fees apply if parents are late when the center has an early closing. Late pick-ups during these instances, however, will not count toward families' maximum number of late pick-ups.

**This revised policy takes effect Nov. 21, 2014 and supersedes page #11 – Weather and Emergency closing procedures
SSPC CC Family Handbook 3/1/08**
